

REMARKS

In the outstanding Official Action, restriction was required as between Group I Claims 1-3, 9-11 and 17-19, drawn to a system for retrieving (searching) a plurality records from database using a nearest neighbor method and Group II Claims 4-8 and 12-16, drawn to a system for record key fields partitioning and converting key field record into feature value. In response, Applicant hereby elects Group I Claims 1-3, 9-11 and 17-19 for an examination on the merits, without prejudice to Applicants' right to subsequently file a divisional application directed to the nonelected claims.

A favorable action on the merits is earnestly solicited.

Respectfully submitted,

By   
Daniel J. Piotrowski, Reg. 42,079  
Attorney
